

# MHP FOUNDATION ANNUAL REPORT

# 2022

# PAST & FUTURE

*A Special Message from our Staff*

***"Hey Alexa, resume."***

2022 allowed us to hit play; we're not on pause anymore. This was the year to take a deep breath after some of the hardest times in our facility's history. Committees blazed ahead with our work, supporters engaged in events like never before, and foundation staff experienced a humbling bombardment of generosity from each and every one of you.

Thank you. No, really, **THANK YOU.**

Our supporters had every reason and right to stop their support during COVID-19... but you didn't. You remained resilient, supportive, and energetic toward our cause. Over half of our total contributions came from individuals and households. You kept going so we could keep going. MHP employee grant submissions were higher than ever. The importance of health for their patients gained a new appreciation, and they were ready to fast forward to great leaps in healthcare. We even saw this level of support with our business partners, many of which had to hit full stop during the pandemic. Boy, when they hit play in 2022, though...they were right back there with us.

As we embark in this new journey together in 2023, we look forward to taking that new level of momentum and turning it into something worth celebrating this year and in the extended future.

**Let's go!**

# DEAR SUPPORTERS:

---

What an exciting year to serve as the Board President of the MHP Foundation! The organization was able to pivot back into in-person events, a new mission focus, and a change in executive leadership while maintaining the continued excellence of positively affecting healthcare in Shelby County.

I am humbled by your willingness to pivot with us last year. Social determinants of health, our new mission addition in 2021, quickly received an unexpected level of financial support. In fact, over 40% of contributions were focused to this area. This generosity allowed us to provide significant contributions toward quality healthcare. Thank you.

Your support extended past financial, though, as shown with the public's kind words regarding Angela Gill's retirement and the welcoming of our new executive director, LaTisha Idlewine. This proves that your appreciation for our organization falls towards the work and personal connections you feel toward that work – all the way down to the people who provide it.

On behalf of MHP and the MHP Foundation, please accept our sincere gratitude for making 2022 a year to celebrate.

*Brent Thoman*

# 2022

**The MHP Foundation fulfills its mission through organization partnerships, donor-focused events, and traditional activities throughout the year. The month-by-month report lists only a glimpse of the great work we are honored to do each and every day.**

**"Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world."**

**-Desmond Tutu**

# IMPACT

# JAN

We welcomed a **new chairperson, Kate Garringer**, for our special prospects committee. She strengthened this committee with several new members. This group acquires, retains, and honors **Royal Oak Society donors**.

We partner with MHP Education Services to offer **certified clinical medical assistant training programs** twice a year, often completely covered due to Indiana WorkForce Ready grant funding. The first cohort for 2022 began in January! **21 students graduated** from the program throughout all of 2022.

# FEB

An **estate gift from Marilyn Joyce Rumpel** was awarded to MHP Oncology in late 2021. Her bequest was to use this funding for services deemed necessary by oncology leadership. Naturally, they chose to use it to honor patients. Celebration walls were installed in February 2023 in both radiation and medical oncology wings for **patients to celebrate any successes**.

Each **Valentine's Day**, we offer the opportunity to MHP employees to buy **candygrams** for their friends, coworkers, family members, etc. at MHP. We prepared and delivered **over 500!**

# MAR

**March 30 is National Doctors' Day.** Each year, we commemorate the hard work that MHP physicians do for their patients. They received a "**gratitude toolkit**" in 2022!

# APR

The **Major Women's Alliance Spring Style Show** was able to return after two seasons of postponement due to COVID-19. This **sold out event** brought in thousands of dollars for this membership group that provides special patient-care related items (care bags, meal trays, newborn stockings, etc.).

Each year, the Foundation provides **\$500 for the Friend of Nursing award** for an MHP employee. **Mary McDonald** was our Friend of Nursing winner for 2022!

# MAY

In recognition of **Memorial Day**, 32 donors honored 46 loved ones who had passed away. \$3,075 was donated by these supporters to continue our mission and have their loved one's name included in a **full page ad in the *Shelbyville News***.

# JUNE

**Reach Out and Read** is a national program that is used at MHP Pediatrics, and it is paid for by us! **\$4,100 was used in the program for 2022**. Each child between **6 months and 5 years old** receives an age- and culture-appropriate **book at every scheduled wellness visit**. The pediatrician teaches both the parent/guardian and the child how to interact with the book. The intent is to improve **early childhood education** (a key social determinant of health pillar!).

# JUL

**Transportation** is one of our pillar **social determinants of health**. If patients cannot get to MHP, they cannot get the treatment or care they need. The MHP Foundation financially supported an **UberHealth pilot** to help with transportation for patients. The pilot began in July, and it provided rides throughout the remainder of 2022 if other partner services were not available.

# AUG

Shelby County **professional advisors** (tax agents, attorneys, financial planners, etc.) gathered at Silas' Pub for an informational Mixer. They met to learn more about the **free estate planning service** offered by the MHP Foundation. Our consultant provides an excellent estate plan that reduces the amount of tax dollars paid after one passes away by including charitable gifts in the overall plan. **Clients can take this to their professional advisor to implement - all free of charge to them!**

# SEPT

We hosted the first annual **Investing in You** event that focused on **mental, physical, and financial well-being for women**. This pilot event was well received!

The **annual celebration cookout picnic** for Acorn Club, Heartwood Club, and Employee Giving Tree donors was held at MHP.

MHP Wound Care's Healing Hustle 5K was held in person for the first time! 86 runners and event sponsors raised **\$11,745 to assist wound care patient needs**.

# OCT

Each year, the Foundation provides **\$500 for a nursing scholarship** for an MHP employee. **Autumn Tillison** was our first ever scholarship winner for this! This scholarship was made available through a **generous endowment** that focused on nursing excellence and continuing education.

# NOV

We welcomed our **new executive director, LaTisha Idlewine!**

**20 grants were approved for over 11 MHP departments** through the employee giving program! These grants help employees **do their job better for patients.**

2022's **Giving Tuesday** focused on mental and behavioral health. Donors gave **\$5,500** on this international day of giving to create a **brand new mental and behavioral health assistance fund** for MHP patients.

# DEC

MHP providers created an internal challenge - **a dance off!** Donors voted for their favorite dancers/departments to support cardiovascular care efforts at MHP. They gave **\$1,600!** Groovy!

The **Major Women's Alliance annual Christmas Tea** was held in person at MHP after a hiatus due to COVID-19.

# MAJOR ANGELS

Each and every day, hundreds of patients utilize MHP for healthcare. Many times, a MHP employee stands out for showing benevolence, compassion, kindness, generosity, and/or professionalism.

The MHP Foundation offers patients a special way to recognize these employees and show them that their extra effort does not go unnoticed - the Major Angel program.

Around 21 days after a patient receives services at MHP, the MHP Foundation sends a personalized letter to these patients explaining the details of the Major Angel Program and how they can recognize the excellent work of MHP staff members.

Once a Major Angel contribution is received, the honoree will receive a personal letter with a special message from the donor and a lapel pin that can be filled with a new halo each time a patient recognizes the outstanding care that employee provides.

Nothing means more to our employees than knowing their care made "*the Major Difference*" for a patient.

# MAJOR LEGACY SOCIETY

The Major Legacy Society was created to recognize those who have included the MHP Foundation in their estate plans. This includes a bequest in a will, a gift annuity, a charitable remainder trust, a life insurance policy, or a retirement plan beneficiary designation.

When William S. Major chose to make the planned gift of his home to our community for use as a hospital, he helped to ensure a bright future for our community. Like Mr. Major, Major Legacy Society Members leave a legacy that will help Major Health Partners continue to provide world-class health services close to home.
