

MHP FOUNDATION ANNUAL REPORT

2023

MOVING FORWARD

A Special Message from our Director

What an exciting year! I am so proud of the Major Hospital Foundation's progress in 2023. From the implementation of the MHP transportation program to the development of community grant partnerships, this year made an impact to not only Major Hospital but to Shelby County as a whole.

As we continue strengthening our mission addition- to improve the quality of life and health in Shelby County by addressing social determinants of health- we are influencing the overall health of our community members.

As a newbie in this role, I am extremely humbled by the support I have received from not only the MHP staff, but from the community. The funding and efforts that the Foundation has been able to provide Major Health Partners through your generosity is truly remarkable. Thank you! I am also extremely thankful for the encouragement from the Foundation board, various committees, and Foundation staff. Your unwavering support not only makes an impact on the Foundation but within the community!

LaTisha K. Idelwne

MHP Foundation Executive Director

“

DEAR SUPPORTERS:

It has been my honor and privilege this past year to continue to serve as President of the Major Hospital Foundation Board of Directors. Through the efforts of volunteer leadership and commitment, this group has achieved so much. Within the community, individuals are becoming more and more knowledgeable of the Major Hospital Foundation endeavors. This could not have happened without the support of our generous donors and volunteers. Thank you!

2023 was a year of continued growth through the change of leadership as our new Executive Director, LaTisha Idlewine, became acclimated in her role. She has worked exceedingly well with the board, development council, and MHP Staff to continue the increase of fundraising results and bring the Major Hospital Foundation to the forefront of people's minds. I am looking forward to the future.

On behalf of MHP and the MHP Foundation, please accept our sincere gratitude for making 2023 a year to remember!

2023

Our mission is to support the MHP Medical Center/Major Hospital, organizations supporting the mission of MHP, and our patients by helping finance purchases of medical technology and equipment, capital projects, patient support and assistance, education for our staff and community, and social determinants of health initiatives.

A major factor in the success of the MHP Foundation lies in our community volunteers who form our development council. This dedicated group is committed to establishing a culture of philanthropic support to the MHP Foundation in our community.

MAJOR ANGELS

Each and every day, hundreds of patients utilize MHP for healthcare. Many times, an MHP employee stands out for showing benevolence, compassion, kindness, generosity, and/or professionalism.

The MHP Foundation offers patients a special way to recognize these employees and show them that their extra effort does not go unnoticed - the Major Angel program.

Around 21 days after a patient receives services at MHP, the MHP Foundation sends a personalized letter to these patients explaining the details of the Major Angel Program and how they can recognize the excellent work of MHP staff members.

Once a Major Angel contribution is received, the honoree will receive a personal letter with a special message from the donor and a lapel pin that can be filled with a new halo each time a patient recognizes the outstanding care that employee provides.

Nothing means more to our employees than knowing their care made "*the Major Difference*" for a patient.

MAJOR LEGACY SOCIETY

The Major Legacy Society was created to recognize those who have included the MHP Foundation in their estate plans. This includes a bequest in a will, a gift annuity, a charitable remainder trust, a life insurance policy, or a retirement plan beneficiary designation.

When William S. Major chose to make the planned gift of his home to our community for use as a hospital, he helped to ensure a bright future for our community. Like Mr. Major, Major Legacy Society Members leave a legacy that will help Major Health Partners continue to provide world-class health services close to home.
