MAJOR FOUNDATION

Dear Supporters,

It is with great pride that I write this letter for the Major Hospital Foundation's 2016 Annual Report. This group, through the efforts of volunteer leadership and commitment, has accomplished so much! We now have a solid base of community support that includes financial and personal commitment. People are becoming more and more aware of the Major Hospital Foundation, seeing it as a worthy cause for charitable support, and they are learning that our healthcare system, Major Health Partners, is an incredible asset to our community. This could not have happened without the support of our donors and volunteers. What a great job they have done!

2016 marked my last full year as President of the Major Hospital Foundation Board of Directors. I'm sorry to be stepping down, but I am also very grateful and extremely proud to have been involved during a time of great change and advancement. The past few years are something our entire community can be excited about and also grateful for, and I am thrilled to have been a part of it.

Please enjoy this annual report and take time to reflect on YOUR contribution. You have done a great thing!

Sincerely,

A handwritten signature in black ink that reads "Carrie Pumphrey".

Carrie Pumphrey, DDS

MHP GIVING TREE

86 NEW
MEMBERS

\$101,510
RAISED

Major Health Partners' employees rallied together to raise over \$100,000 for the third consecutive year. During the annual drive, eighty-six new employees joined the MHP Giving Tree. In addition, our employees upped the ante and challenged MHP Administration to support the Salvation Army. This led to over \$2,000 to be donated towards their holiday meals.

MAJOR ANGELS

Each and every day, hundreds of patients utilize the Major Health Partners' system. Many times, a Major Health Partners' employee stands out for showing benevolence, compassion, kindness, generosity and/or professionalism.

The Major Hospital Foundation offers patients a special way to recognize these employees and show them that their extra effort does not go unnoticed.

Around 21 days after being discharged from the hospital, the Major Hospital Foundation sends a personalized letter to patients explaining the details of the Major Angel Program.

Once a Major Angel contribution is received, the honorees will receive a personal letter with a special message from the donor and a lapel pin that can be filled with a new halo each time a patient recognizes the outstanding care they provide.

LEGACY OF GIVING

MHP will always be grateful to Raymond Compton and Marian McFadden for creating permanent endowments to support healthcare in Shelby County. These legacies will affect generations. During 2016, no grants were made from the Compton Fund, and the McFadden Fund granted \$100,000 to the new MHP Medical Center building project.

MAJOR LEGACY SOCIETY

During 2016, one member was added to the Major Legacy Society Roster. Lucille McCorkle created two permanent endowments during 2016, the The Altha Lucille McCorkle Fund to Benefit Benesse Oncology Center and The Altha Lucille McCorkle Fund to Benefit Una Vie Cardiology Center. She wanted to help others through organizations that helped her. What a wonderful legacy and a beautiful way to be remembered!

2017 GOALS

The Major Hospital Foundation hosted a retreat in the fall of 2016 with board members and Development Council committee chairs. Our intent was to brainstorm ideas and determined three areas that the Foundation will focus on over the next three years. Each committee is in charge of fabricating action plans that will encompass three areas of focus.
